

Pre-school Excursion and Outreach Programs 2009-2010

Back by popular demand!

Choose from:

<i>Theme</i>	<i>Program Name</i>
Biodiversity	<u>Minibeast Safari</u> - a hands-on investigation of the wonderful creatures and the roles they play in 3 separate habitats: freshwater ponds, forest floor and compost bins.
Waste Minimisation – Recycling and Composting	<u>Rapt in Recycling</u> – students discover and practice what goes in the recycling bin, and go on a wonderful recycling adventure with Kid Can. <u>Compost Capers</u> – a fun-filled exploration of how to make great compost, how composting works and the important jobs that compost creatures have.

Up to 25 children per group, adults are free.

Venues:

Moorabbin: Genoa St

Your centre: Melbourne metro only, travel charges may apply
